

Do you have the best compliance training for your employees?

now
proudly
offers

The most comprehensive cloud-based compliance training for healthcare employees!

This compliance training solution includes:

- Online modules covering all mandatory compliance training such as: HIPAA, OSHA, Human Resources, and Fraud/Waste/Abuse
- Eight (8) complimentary CME courses
- Extensive library of resources expanding monthly
- User-friendly portal and virtual training log
- Toll-free live support from 8:30am-8:00pm ET every business day
- Reliable team of experts on staff, including a nurse, attorney, and medical doctor

“The First Healthcare Compliance system has really helped all of our practices with providing employees their annual OSHA and HIPAA training.”

Anne Aguirre, PHR
Director of Human Resources,
New Jersey Retina
